Litt wierd, men litt crude språk i deler av den. Veldig fin i måten de beskriver ting på.

SPOILER WARNING!

Overall: veldig mid. Den vakke dårlig eller bra, bare meh.

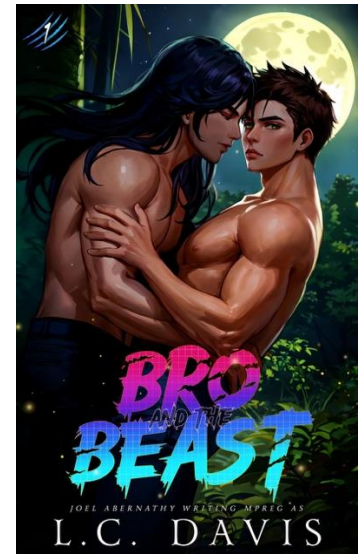

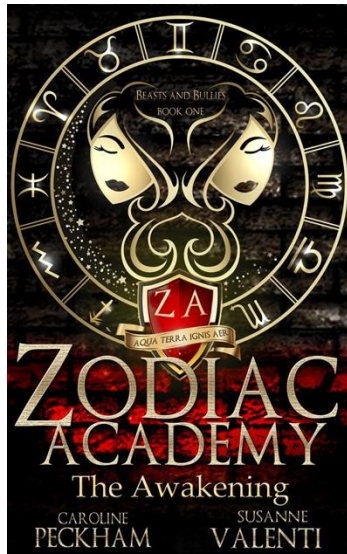

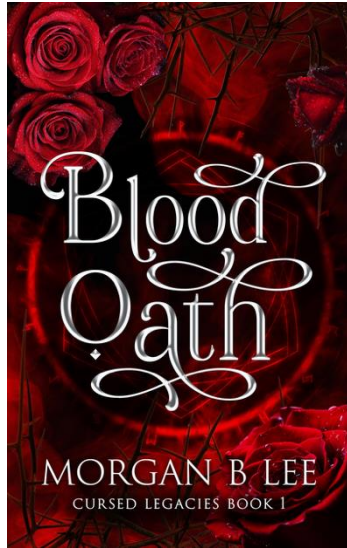

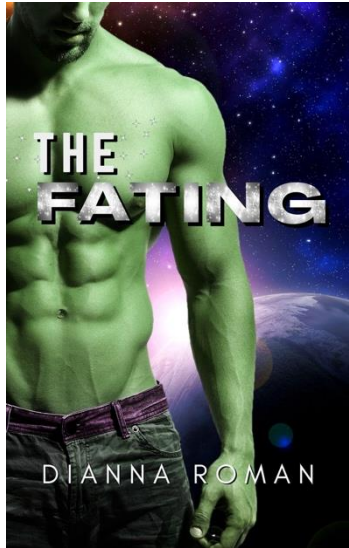

Jwl kjedelig

Vanskelig å plukke opp, men jeg ble invistert når jeg først begynte å lese.

Lowkey litt wæck plott

Side 404, HAN HETER RANSOM! HVA SLAGS FAKKA NAVN ER DET?!

Witt, er en kid som bare døde. Vi visste ingenting om han. Jeg likte at hun tok med realiteten av krig.

Dårlige men
jwl bra bøker
